*Rabies 1 year

14-16 Weeks:

Exam
Fecal Exam
FVRCP 1 year
FELV 1 year

*If your kitten is not 12 weeks or older on the 2nd visit, then he/she will receive the rabies vaccination at the 14-16 week visit.

- The package can be paid in full or in two equal payments on the first and second visits.
- The kitten package includes 15% off Spay/Neuter if **done by 10 months of age** (includes anesthesia, IV catheter, spay/neuter, laser treatment and one injection of pain medication.)
- The package is not transferrable to another pet.
- It is in the best interest of your kitten to follow the vaccination schedule as listed above. **The package is no longer applicable if you fail to present your kitten for vaccinations after 20 weeks of age.**
- On your kitten's first visit you will be given a free dose of flea and heartworm prevention. We recommend your pet stay on this monthly preventative for life.
