14-16 weeks

Exam  
Fecal Exam  
DA2PP 1 year  
Lepto 1 year

\*\*CIV Bivalent #1 and 1 year can be added for a 25% discount

- If your pet is not 12 weeks or older on the 2<sup>nd</sup> visit, then he/she will receive the rabies vaccination at the 14-16 week visit.
- The package can be paid for in full or in two equal payments on the first and second visits.
- The puppy package includes 15% off of the Spay/ Neuter if **done by 10 months of age** (includes anesthesia, IV catheter, spay/ neuter, laser treatment and one injection of pain medication).
- The package is not transferrable to another pet.
- It is in the best interest of your puppy to follow the vaccination schedule as listed above. **The package is no longer applicable if you fail to present your puppy for vaccinations after 20 weeks of age.**
- One month of Heartworm Prevention and Flea Prevention will be provided free of charge. We recommend your pet stay on these monthly preventatives for life.
